

PRIVACY POLICY

PRIVACY STATEMENT

Integrex is dedicated to ensuring your privacy is protected and informing you about how we use your personal information. We only ever collect the minimum amount of data that is necessary, with your consent. We don't sell your data to third parties and we will hold and process your data securely in accordance with GDPR.

What is Personal data

Under the EU's General Data Protection Regulation (GDPR) personal data is defined as: "any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or in-directly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person".

What Personal data do Integrex gather

We may collect the following information; Name and contact information including email address. We do not gather sensitive personal data.

How we use your information

Data is used for communication with further information regarding our range of products and services and other marketing activities. Or stored for administrative purposes relating to the processing of orders. We process the information you provide in a manner compatible with the EU's General Data Protection Regulation (GDPR) and keep it for no longer than is necessary.

Will we share your personal data?

We will not sell your personal information to third parties. We may however pass your personal data on to service providers contracted to Integrex (such as an email provider). Any service providers that we may share your data with are obliged to keep your details securely, and to use them only to fulfil the service they provide on our behalf.

Under what circumstances will we contact you?

Our aim is not to be intrusive and only contact you when necessary. We will keep you updated regarding our new products and services where relevant.

How can I find out what personal data Integrex hold on me?

At your request, we can confirm what information we hold about you and how it is processed. The following information is available upon written request.

- The purpose of the processing.
- The source of personal data if it wasn't collected directly from you.
- If the processing is based on the legitimate interest.
- The categories of personal data collected, stored and processed.
- How the data is stored.
